Hi Sarah and Catherine-

Thank you so much for taking the time to meet the other day.
After chatting with the two of you and then the Council member, I feel very confident that you all will be very successful.
It is clear that you will be thoughtful, fair and take your time to learn about all that is going on.

I will let you know if we need a letter for the proposed house in the middle of Runyon. And, we may need a letter of support as we apply for some grants.

I know I speak for all of us on the Board when I say we look forward to working with you.

The President of our Neighborhood Association, Susan and I would like to get together at some point. No rush. Should I email Yena?

On a personal note, I look forward to working with you on the many issues that face our community.
Please let me know if I can help you in any way.

I hope you are both having a lovely day-
Stacy

Stacy,

We really enjoyed meeting you and look forward to working with you. We are all still enjoying the chocolates! Thank you so much for bringing them.

Yena is the right person for the meeting with Susan and yourself. We will try to set that up soon.

Let us know if you need a letter on that house issue.

Looking forward to a very productive future,

Sarah
